

BLUE BEHAVIOR SLIP

HAVE YOU BEEN A CANE TODAY?

Behavior impacts education. To help ensure educational success, it is important that you are aware of your student's conduct in Barquesburgh. In fifth grade, students developed our own classroom rules together to create our very own 'Classroom Constitution' to ensure they are being a CANE, which will guarantee an excellent learning environment for all students.

As a grade level, we are working on the following behavior plan:

HAVE YOU BEEN A CANE TODAY?

Caring, Accountable, Noble, Excellent

We have discussed each of these expectations and what they mean in our classroom, in the courtyard, in the restroom, at recess, and at arrival and dismissal.

If a letter of CANE is broken, a student must complete Mr. MacKelvey's Behavior Log and the following consequence is implemented due to the following behavior:

Complete at Recess	Letter of Apology	Redo Assignment	Loss of Privilege	Communication with Family Member	Conference with Student	Other (See Below)
--------------------	-------------------	-----------------	-------------------	----------------------------------	-------------------------	-------------------

Other: _____

If a student has broken a rule, a behavior slip (Backside) will be sent home so you are aware of the unacceptable behavior observed in school. Please discuss this with your student, sign the form, and return it the next day. If the form is not signed, additional consequences will result until signed. Thank you in advance for your support as we learn, grow, and succeed together!

-Mr. MacKelvey, Captain of Barquesburgh
